

010 Blow, boys, blow.

Shantymand/*Kor*

Oh, blow ye winds. I long to hear you.

Blow, boys, blow!

Oh, blow ye winds. I long to hear you.

Blow my Bully boys, blow!

A Yan-kee ship's comin' down th' river.

Blow, boys, blow!

Her masts an' spars they shine like silver.

Blow my Bully boys, blow!

An' how d'ye know she's a Yan-kee clipper?

Blow, boys, blow!

By th' Stars an' Stripes that flies above 'er.

Blow my Bully boys, blow!

An' who d'ye think is th' Captain of 'er?

Blow, boys, blow!

Oh, Bully Haines, th' hoodlum scoffer.

Blow my Bully boys, blow!

An' who d'ye think's th' Mate aboard 'er?

Blow, boys, blow!

A Bowery tough that's never sover.

Blow my Bully boys, blow!

Oh, blow today, an' shine tomorrow.

Blow, boys, blow!

Oh, blow today, an' shine tomorrow.

Blow my Bully boys, blow!

An-other pull, oh rock an' shake 'r.

Blow, boys, blow!

Oh, go she must, an' go we'll make 'r.

Blow my Bully boys, blow!
