

1. They call me hanging Johnny,

*Away - ay - I - oh*

They say I hang for money!

*So hang, boys hang*

2. And first I hanged my father,

*Away - ay - I - oh*

A rope, a beam, a ladder

*So hang, boys hang*

3. And then I hanged my mother

*Away - ay - I - oh*

My sister and my brother

*So hang, boys hang*

4. And then I hang my granny

*Away - ay - I - oh*

I hanged her up so canny

*So hang, boys hang*

5. And then I hang my cousins

*Away - ay - I - oh*

I'd hang them by the dozens

*So hang, boys hang*

6. We'll hang and haul together

*Away - ay - I - oh*

We'll haul for better weather

*So hang, boys hang*

Hanging Tonny :-)
