

Shantymand / *Kor*

1) Oh, heave and weight the anchor light.

Ota Hayti, Ota Hayti

And hear what I have dreamt last night.

In the Ota Hayti ho....

Blow boys, blow, for California –

There is plenty of gold

*So I've been told on the banks of
Sacramento.*

2) As I was rolling down the Strand

Ota Hayti, Ota Hayti

I met two fairies hand in hand,

In the Ota Hayti ho....

Blow boys, blow, for California –

3) I chose the one with the curly locks,

Ota Hayti, Ota Hayti

She let me chase her o'er the rocks.

In the Ota Hayti ho....

Blow boys, blow, for California –

4) I chased her high, and I chased her low,

Ota Hayti, Ota Hayti

I feel down and I broke me toe.

In the Ota Hayti ho....

Blow boys, blow, for California –

5) Off to the doctor I did go,

Ota Hayti, Ota Hayti

An' I will showe him my big toe.

In the Ota Hayti ho....

Blow boys, blow, for California –

6) So' now I'm well and free from pain.

Ota Hayti, Ota Hayti

I'll never chase flash girls again.

In the Ota Hayti ho....

Blow boys, blow, for California –
